

# CurrentCare Viewer- Search

Last Updated: June 16, 2021

Searching for a patient in the [CurrentCare Viewer](#) can be as simple or as detailed as you would like.

## What do I Need to Enter?

We recommend entering just *First Name* and *Last Name* and clicking “Search.”

[\[ Home \]](#) > [\[ Patient Search \]](#)

Enter any criteria and click Search.  
 Click [here](#) for help.

|                       |                                      |
|-----------------------|--------------------------------------|
| <b>Last Name</b>      | <input type="text" value="Test"/>    |
| <b>First Name</b>     | <input type="text" value="Patient"/> |
| <b>Middle Name</b>    | <input type="text"/>                 |
| <b>Gender</b>         | <input type="text" value="v"/>       |
| <b>Date of Birth</b>  | <input type="text" value=""/>        |
|                       | (mm-dd-yyyy)                         |
| <b>CurrentCare ID</b> | <input type="text"/>                 |

Or some clinical staff tell us they prefer to enter just *Date of Birth* and press the (Enter) key.

You can also enter other search criteria such as *Middle Name* or *Gender*, but that is not necessary.

## How do I View a Patient Record?

To view the record, choose the correct patient’s name from the list of search results.

**Important: Always verify Name, Address and Date of Birth before viewing your patient’s record**

[\[ Home \]](#) > [\[ Patient Search \]](#)

Enter any criteria and click Search.  
 Click [here](#) for help.

|                                     | Identifiers | Name              | Gender/DOB   | Address  |
|-------------------------------------|-------------|-------------------|--------------|--|
| <input checked="" type="checkbox"/> | 754032      | Rhodeisland, Bart | F 1955-06-05 | 1313 Mockingbird Lane, North Providence RI 02908 |

### Search Tips:

- **Keyboard shortcut:** type in *First name*, (Tab), type in *Last Name*, (Enter)
- **Most efficient:** Note the patient’s unique “CurrentCare ID” in your electronic health record. Type that into the “CurrentCare ID” field and (Enter) or click “Search.”

[ Home ] > [ Patient Search ]

Enter any criteria and click Search. Click [here](#) for help.
